RESOLUTION NO. _____

RESOLUTION DECLARING OCTOBER 2016 AND OCTOBER
EACH YEAR THEREAFTER AS BULLYING PREVENTION
AWARENESS MONTH

WHEREAS, bullying is a long-standing problem among school-aged children in Miami-Dade County and throughout the nation; and

WHEREAS, approximately one out of every three students in the United States between 6th and 12th grade say that they have been bullied at school; and

WHEREAS, studies compiled by the U.S. Department of Health and Human Services show that children who are bullied are more likely to experience depression and anxiety, increased feelings of sadness and loneliness, a loss of interest in activities that they previously enjoyed, and a decrease in academic achievement and school participation; and

WHEREAS, some of those children—such as Rebecca Sedgwick, Jeffrey Johnson, and Celina Okwuone—choose to tragically take their own lives as a result of being bullied; and

WHEREAS, those same studies have also shown that there are long-term effects on the children who bully other children, such as being more likely as adults to abuse alcohol and drugs, have criminal convictions, and physically abuse their spouse or children; and

WHEREAS, the PACER Center, an organization created by parents of children and youth with disabilities to help other parents and families facing similar challenges, began a national campaign in 2006 to hold events and activities in the month of October to unite communities nationwide to educate and raise awareness of bullying prevention; and

WHEREAS, Miami-Dade County has been a leader in raising awareness about bullying by, among other efforts, requiring that all sports leagues for children that operate at County parks have their coaches undergo anti-bullying training (Resolution No. R-692-14); urging the Florida legislature to extend the Jeffrey Johnson Stand Up For All Student Act to all private schools (Resolution No. R-1091-11), establishing an awareness campaign at County parks that will educate children about bullying and creating a system for reporting incidents of bullying, harassment, and intimidation of children on County property (Resolution No. R-355-14), and urging the Florida Legislature to address bullying in high school, college, and professional sports through passage of the Safe Athletics Education and Training Act of 2014 (Resolution No. R-284-14); and

WHEREAS, Miami-Dade County would like to continue these existing efforts by joining the ever-growing list of communities across the United States that have expressed their support and solidarity for PACER's national campaign by recognizing October as National Bullying Prevention Awareness Month,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board declares October 2016, and October each year thereafter, as Bullying Prevention Awareness Month.
